History of the school

There was a heartfelt cry in the area for a good English medium school with a standard of excellence in academic and affordable by all. Bishop Dr. Jeyaraj Marc, along with his wife Mrs. Sheela Marc, M.S.W. founded the school in the year 2001. "The Millennium School" name came as the world was celebrating the new Millennium.

A Golden Opportunity to educate your children in education and strong foundation.

Our Aims & Objectives

“Let Your Light Shine in Excellence”. The aims and objectives of this school is to give all children a excellence education, irrespective of caste, creed, colour or religion, a quality education within a godly atmosphere. That education includes a sound moral base, training them in good habits of order and cleanliness, forming their character and aiding to shine in every field of education. We also raise them up to discipline their spirit, soul and body.
